

Dear Little Rock Christian Parents of Rising Seniors,

We are excited to announce that we will again be having Summer College Boot Camp this July. LRCA Summer College Boot Camp, a 2-1/2 day seminar, will be offered both July 13-15, 2010 and July 27-29, 2010. This program is designed to help rising seniors prepare their college applications during the summer, having them ready to submit in early fall. Students will have the opportunity to complete applications including The Common Application* (see www.commonapp.org for more information) as well as another application of their choice.

They will also write and polish their resumes, experience mock interviews with college professionals (complete with interview skill assessment), create and edit their admission and scholarship essays, and confer with college admissions representatives through individual questions and panel discussions.

Under the direction of Carla Bollinger, Director of College Guidance, and her staff, Summer College Boot Camp will allow your rising senior to take charge of his/her future and maximize the opportunities of senior year.

To reserve placement in your desired session, please complete the application form below and return to the College Guidance Office with your deposit of \$75.00. (Total cost is \$275.00.) Space is limited (24 per session). Applications will be processed in the order they are received. Balance will be due June 1. Feel free to contact Ms. Bollinger with any questions at (501)975-3441 (school) or (817)269-7730 (cell).

Student name: _____ Student cell # _____

Address: _____ Student e-mail _____
