

Little Rock Christian Academy Warrior Club Warrior Field Banner Agreement

Overview: The Warrior Club is offering a limited number of field-level signage opportunities to potential sponsors at Warrior Field... The home stadium for our football and soccer teams! This year is especially significant as it will highlight the Warrior team on our new artificial turf field!

We offer a three-year contract for \$1,500 which will run from the first home game of the 2010 football season this fall to the spring soccer season of 2013. This is a great way for you to show your support for the Warriors but also to highlight your business in front of standing room crowds of thousands of fans!

We hope that you will consider *Spreading His Spirit through your Support of Warrior Sports* by proudly hanging your banner at Warrior Field! Fill out the form below and act now!

Agreement Period: Beginning of Fall Semester 2010 to end of Spring Semester, 2013
