Other information

Attendance Wednesday the 16th is optional. Students should check with their teachers about what will be happening in the study sessions.

Students who are at school when not taking an exam will go the library to study quietly.

Students will remain in the classroom until the allotted time is over for the exam. They **will not** be dismissed early from the exam even if finished before the time is up. Bring materials to study or a book to read as no talking will be permitted during the exam time.

Students will not have access to electronic devices (i.e. cell phones, ipods, calculators, etc.), during the exam. An approved calculator is permitted if needed for the exam. Teachers will inform students of need regarding calculators.
