

LRCA High School Supply List 2010-2011

Although we have made every effort to predict needs so that students can begin the year prepared, we know that every item has not been listed. Teachers will inform students of additional items as needed.

Important Note About Binders & Lockers

Our lockers will not accommodate binders that have padding or plastic décor, etc. that extends beyond the normal edge. (Often the wide edge where the rings are located is where you will see these things). You may want to try out a particular binder in a locker before purchasing more than one to make sure that it will fit well. The HS building will be open at an announced time before classes begin so that students may set up their lockers.

The following items are required of all students

Flash Drive

TI-84 Graphing Calculator

Pens and Pencils

Lined Notebook Paper for each class

Graph Paper

Set of Multi-Colored Highlighters
