

# DRESS CODE

**RATIONALE:** As a college preparatory school, Little Rock Christian Academy desires to equip its students for their next step in life, whether it be college or the workplace. In these environments, students will need to look professional. We want to give our students every tool they need to succeed, and our dress code is meant to help students learn how to present themselves to their best advantage. By dressing appropriately for our school environment, we hope students learn to adapt their dressing style for whatever may be required of them in the future.
